SUMMARY

A passionate and dedicated engineering student with a strong interest in web development, full-stack application development, and UI/UX design. Continuously learning and exploring new technologies, I bring a blend of technical skills and creative thinking to build impactful digital experiences. My team coordination abilities, consistent learning mindset, and enthusiasm for both frontend aesthetics and backend logic make me a valuable asset to any development team. Eager to contribute to dynamic projects that require a balance of functionality and visual design

TECHNICAL SKILLS

Programming Languages: C, Java, SQL

Frameworks: ReactJS

Databases: MongoDB, MySQL, PostgreSQL

Web Development: HTML, CSS, JavaScript

UI/UX Designing: Figma, Canva

Soft Skills: Communication Skills, Problem Solving

PROJECTS

Full stack application Development

Weather App using API Integration

- Built a weather forecast application that fetches real-time weather data using a public Weather API.
- Displayed location-based weather information such as temperature, humidity, and conditions with a responsive UI.
- Tools Used: HTML, CSS, JavaScript, OpenWeatherMap API

Library Management System

- Developed a Full-Stack project on Library Management System in 2-1 Sem.
- It is a web-based application that helps users utilize books virtually available online.

Online Voting System

- Developing a Full-Stack online voting System project using Reactjs,sql,vite+react.
- This web-based platform is meticulously designed to connect voters to vote virtually without attending physically at booths.

Content Management System:

- Developed a content management system to manage digital content such as articles, images, and multimedia files.
- Tools Used: MySQL, HTML, CSS, JavaScript

EDUCATION

KL University

B.tech,CSE CGPA: 8.91

Vijayawada, Andhra Pradesh
2023 – 2027

Intermediate, Sri Chaitanya

Percentage : 82.0

Srikakulam, Andhra Pradesh
2021 – 2023

Secondary Education - 10th class, Sarvani vidyalayam

GPA:10/10

Srikakulam, Andhra Pradesh
2020 – 2021

ACHIEVEMENTS AND CERTIFICATIONS

- Salesforce AI Associate Certification

- HackerRank Certifications: Java Basics, Python Basics
- Microsoft Power BI Certified
- Deloitte: Data Analytics Job Simulation
